Pursuant to Administrative Civil Liability Order R5-2010-XXXX (Order), you are ordered to pay \$136,000 to the State Water Resources Control Board Cleanup and Abatement Account. Payment will resolve the violations alleged in Administrative Civil Liability Complaint R5-2009-0554. The Order requires full payment within 30 days. However, the Central Valley Water Board will defer collection of the \$136,000 if you comply with the payment schedule specified below:

Del Rapini Construction, Inc. (Discharger) shall pay \$136,000 to the State Water Resources Control Board Cleanup and Abatement Account in sixteen (16) quarterly payments. The payments shall be made by check made payable to the *State Water Pollution Cleanup and Abatement Account* and remitted to the Central Valley Regional Board located at 11020 Sun Center Drive, Suite 200, Rancho Cordova, California. Each check shall be in the amount of **eight thousand five hundred dollars (\$8,500)** and shall have written upon it the number of the ACL Order. The first payment is due on **31 March 2010**. Subsequent payments are due quarterly thereafter by the last day of the quarter (i.e., by **30 June, 30 September, and 31 December**). The last payment shall be submitted on or before **31 December 2014**. The Discharger retains the right to pay the remainder of the unpaid balance in full at any time before 31 December 2014.

This letter memorializes and accepts the above payment schedule on the following conditions. If the Discharger fails to make the payments in accordance with the specified deadlines without obtaining explicit approval from the Assistant Executive Officer, the Assistant Executive Officer shall demand that the remaining unpaid balance be paid with 30 days of notification of such failure. Alternatively, the Assistant Executive Officer may refer this matter to the California Attorney General to obtain compliance with the terms of the Order.
